

## **S3TAX Anti-Collusion Statement**

S3TAX always make tenders in good faith, and we do not fix or adjust the amount of the tender by or under or in accordance with any agreement with any other person.

S3TAX certify that we do not undertake and that we will not before the award of any contract for any work:-

(i)(a) communicate to any person the amount or approximate amount of the tender or proposed tender, except where the disclosure, in confidence, of the approximate amount of the tender was necessary to obtain insurance premium quotations required for the preparation of the tender;

(i)(b) enter into any agreement or arrangement with any person that they shall refrain from tendering, that they shall withdraw any tender once offered or vary the amount of any tender to be submitted;

(ii) pay, give or offer to pay any sum of money other valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to any other tender or proposed tender for the work, any act or thing of the sort described at (a) or (b) above.

S3TAX further certify that the principles described in paragraphs 1(i) and (ii) above have been, or will be, brought to the attention of all sub-contractors, suppliers and associated companies providing services or materials connected with the tender and any contract entered into with such subcontractors, suppliers or associated companies will be made on the basis of compliance with the above principles by all parties.

In this statement, the word 'person' includes any persons and anybody or association, corporate or unincorporate; 'any agreement or arrangement' includes any transaction, formal or informal and whether legally binding or not.
